

Guidance for Attending After School Club Sessions Autumn Term 2020

By attending our sessions you agree to the following;

1. No adult or child will attend the setting if they are displaying any symptoms of coronavirus;
 - a. high temperature (37.8 degrees or higher)
 - b. a new, continuous cough
 - c. a loss of, or change to, your sense of smell or taste
2. Parents and carers are encouraged to limit the number of after school club settings your child attends, ideally ensuring your child only attends the same setting consistently
3. Places have been limited and attendance patterns reviewed to allow for one consist group of no more than 20 children throughout the week. This will be reviewed to minimise the amount of 'mixing,' that is, the number of different people each child comes into contact with. In addition, Up-to-date records of the children attending each session are kept for at least 21 days, including the school they attend and the specific sessions and members of staff they have been assigned.
4. Children should be sent in with a jacket suitable for the weather
5. Children will be collected from their classes and walked back to the setting using consistent members of staff and grouping based on current government guidance
6. On arrival at the setting the children will have their temperature taken and will wash their hands before heading to their designated area to play
7. Children staying passed 4pm will be provided with a hot snack as usual
8. Children will be encouraged to wash their hands regularly throughout the session using anti-bacterial soap
9. Sharing of toys, resources and equipment will be reduced as much as possible. Any shared items and surfaces will be cleaned and disinfected frequently. All soft toys & soft furnishings have been removed from the space and a thorough cleaning of all areas will take place at the end of the day
10. Honeycroft encourages parents to avoid using public transport to get to the centre, wherever possible. Ideally, you should walk or cycle or use a private vehicle, provided you are only travelling with those from within your household. Read the Coronavirus
