

## Putting families at the Centre for over 35 years.

### About Us

Honeycroft believes all parents and carers have a right to access affordable, quality services for their children. Honeycroft is a registered charity, founded in the late 1970's originally operating from Glebe Villas in Hove. The manager, Marion Silsby, identified a need to provide and promote education through play at a low cost for children in the city.

Today Honeycroft's services have grown to meet our objectives through a range of activities based at St. Barnabas Church Hall on Sackville Road. These include a nursery, two-year-old unit, crèche and holiday club for children aged 5 to 11 years old.

*"All children play happily alongside each other and make friends. Staff act as positive role models, and children thrive in a calm and respectful atmosphere."* Ofsted, current rating 'good'.

In addition to our children's services, Honeycroft has a children's shop selling both new and second-hand toys and clothes, a community café which also provides hot meals for our children, plus room hire for the provision of education and training. Our crèche provides childcare for parents and carers attending the centre for training or leisure activities.

### Our Team

Our staff team are dedicated and passionate about their job and the ethos which holds Honeycroft together. Along with the support of the trustees our aims and objectives are to continue to evolve and develop our services to meet the needs and interests of local families and the wider community.

### What makes us unique?

Along with our 35 plus years of history, our family focused attitude and affordability, 49% of our current families have English as their second or third language. Approx. 25 different languages are spoken by our staff and families who embrace the rich mix this brings to our centre.
